

**WHITE PLAINS
TROOP 73
B.S.A.**

Klondike Derby
FDR State Park - Yorktown Heights, NY

Saturday, January 26th • 7:00 AM – 5:00 PM

Support Troop 73 and represent your Patrol in this annual winter scouting skills competition.

**Skills Stations should include: Fire-Building, Map & Compass/Orienteering, Emergency Transportation, Emergency Shelter Building, Tandem Snowshoes, Knife & Axe, First Aid, Ice Rescue, and more....
PLUS the Sled Race!**

There is no cost for the event...
But we **MUST** know who will be representing their Patrols,
and we **MUST** register each participant next week.
PLEASE mark this event down on your calendars,
and return the attached permission slip to next week's Troop Meeting!

*Acceptable reasons for NOT competing with your Patrol might be that your Confirmation or Bar Mitzvah is being held that morning, that someone stole all of your clothes, or that you've been abducted by aliens.
Few other excuses will suffice...*

Your Patrol and Troop need you!
