**December 30, 2007**

**Howe Caverns, NY**

*Are you brave enough to see...what lies below?*

The Troop 73 Venture Patrol has selected Sunday, December 30<sup>th</sup>, as the date for their first caving trip – a visit to the commercial cave: Howe Caverns

Flyers containing the details for this trip will be created and distributed BY the Venture Patrol, however it is asked that all Venture Patrol members interested in attending the trip put this on their family calendars as soon as possible in order to save the date.

The fee for this day-trip, including dinner, is just \$20.

A permission slip for this trip is attached.
