

**WHITE PLAINS
TROOP 73**

Venture Patrol

Lake George

February 16-18, 2008

When Troop 73's Philadelphia Adventure, scheduled for this first weekend of the public school holiday, was cancelled, Mr. Whitaker suggested a replacement Venture Patrol activity in the Lake George area.

Using a Whitaker-family property as the base of operations, this weekend excursion COULD include activities such as snowshoeing, skiing (downhill or cross country), tubing, ice skating, the annual Lake George Winter Carnival (featuring outhouse racing, ice sculpture displays, snow painting, snowmobile jumps, and ice races with cars, trucks and ATV's), and perhaps even a visit to the Frankenstein Wax Museum or the Haunted House!

What symbolizes Scouting more than that?

The exact itinerary, and therefore the cost, will be determined by the Venture Patrol as they plan and execute their own adventure.

But for now, we need to know who would like to attend.

A permission slip is attached. Please return to 2/12 Troop Meeting.

Polar Bear Swim - 2007
