

WHITE PLAINS BOY SCOUT TROOP 73

Liberty Science Center

Liberty State Park
Jersey City, NJ

January 9, 2010

\$20 per person

Join Troop 73 for a unique visit to one of New Jersey's greatest attractions. No, it's not Atlantic City, it's not Great Adventure, and not even the Newark Airport! It's the Liberty Science Center Museum and Imax Theater!

It's fun! It's interactive! It's noisy and colorful and filled with movement and music and sounds and science. It's got bugs and gears and lights and wheels and rockets and computers and... well, just come join us and see for yourself!

In addition to spending the day at the museum, we'll also see a movie in the giant IMAX theater. The cost for the day will be just \$20 per person, which includes admission to the exhibit hall, the IMAX theater, parking and even transportation to and from the museum. Each Scout will bring his own lunch.

Final details will be available at our next Troop Meeting – but be sure to sign up for this great trip by the January 4th Troop Meeting. Bring in \$20 and a signed permission slip – and you're in!
