\* \* \* \* \*

Please join Troop 73 for a fun weekend of skiing/boarding and tubing at beautiful Windham Mountain! We'll be staying at nearby Camp Tri-Mount, in their most luxurious Boy Scout cabins (one even has a bathroom). So we're sure to have a great time while on the mountain, and while eating and relaxing back at Camp.

We will meet at the Highlands Middle School on Friday at 6:00 PM and be back in White Plains Sunday afternoon. Each participant will need money for a fast-food dinner on the way up, and a lunch on the way back, but four meals at the cabin and at the mountain are included in the fee, as is your bunk in a rustic heated cabin. Tubing on Sunday is included in the price too!

**WOW!**

A final checklist with additional information will be distributed closer to the event, and will also be posted on our Troop 73 website. But sign up now, before we fill the limited number of bunks we have. Please complete and submit the attached registration form and permission slips, with your payment, as soon as possible. When we're full, we're full.

There's packages to match every Scout or parent – renting gear, not renting gear, the lower mountain package to provide you with gear, give you a lesson, and keep you on the beginner trails, helmets for those who have their own gear but don't have helmets (helmets are mandatory for Scout Skiing and Boarding). Figure out what you need, and then sign up! Start waxing your skis or boards – or if you don't have those, start waxing your feet!
